

The Image of Love Put into Action

My father and my God, fellowship is love, and love is an emotion. But so is hate an emotion compounded by destroying fellowship. Both are choices made by man's volition, but one is the image of God, the other the image of evil. With the image of God there is only one choice, and that is to love, which is Jesus Christ "**agape,**" love. (*Jesus Christ's self-sacrificing love.*)

But now as a Christian, I am faced with the image of love, and all its truth in Your Word. If I do not now put the image of love into action, the truth of love is an emotion lying dormant, not only in Your Word; but if my love is not activated, my relationships become atrophied, and I am a dead man walking that finds my lost soul thriving in an uncertain unsure world.

My son, putting love into action means you must deny yourself the luxury of thinking love that is void action. You must also deny yourself vane thoughts and empty words that deny my truth of action. Your words spoken in love are a prelude to the climax of the end result of the truth of love. This truth of love is expressed in deeds that are not an illusion, but are in fact illuminated by the ransomed image of grace and mercy.

You see my son, the true act of love, emphatically speaks louder than words, can you not hear the act of love, in action, as my Son proclaimed, "it is finished?"

You see my son it is the truth of love in action. It is love energized by fellowship that brings unity in many forms. It is the love in action that allows you to seek forgiveness of one you offended, and in return you have lost an enemy; who in turn is blessed with the unity of love that is a foundation of future trust and lasting relationships.

Yes, it is true, you were once as a dead man walking, [in sin] just as when you heard My Word, there was a big bang in the beginning, dead men are incapable of hearing its loud silence. The big bang in the beginning, is for those who have an ear to hear in faith that the big bang "is the beginning," of "My love put into action."

Doors of love: My father and my God I thank you for Your love, a love that has opened many doors in my life. The door of understanding that separates me from hate. The door of acceptance, that leads to temperance. The door of rejection that leads to understanding the pain the world provides. The door of sacrifice that is the expression of your agape love. The door of repentance, that cleanses my soul. The door of mercy that I do not deserve, but yet even more is the caring benevolence, and the need to share its virtues. The door of grace that is the ointment that heals all wounds to those who apply Your Truth to their souls, for Your glory.

My son keep seeking my righteousness, and I will provide for you the keys to the doors of understanding that will lead you to the full understanding of My wisdom. I have provided for you in every situation of your life, the tools to sustain your spirit's commitment to the truth in My Word.

My Sons sacrificial death is your life! His sacrifice has given you death to sin which dwells in your carnal nature, now your regenerated Spirit nature gives LIFE that you may live in

body, soul, and spirit, to a commitment of expressing the personification of the truth that is and was from the beginning, found in My Word.

This is the legacy that will last, it is found in My agape love that is contagious only in your relentless pursuit of My fellowship.
